https://app.inkpickr.com/

Ammajewelry

Technologies: Symphony project

Description:

AMMA Jewelry is established in 2003 by the Dutch artist Anne-Marleen Hengeveld. Graduated as a goldsmith and art historian she is mostly influenced by art, ancient techniques and the beauty of gold, precious stones and pearls. In het work Anne-Marleen combines age-old techniques with modern-day design. This fusion results in timeless pieces of jewelry which show a fine and delicate craftmanship. They are often born out of endless motions of repetition, driven by an urge for regularity, some romance and a passion for detail.

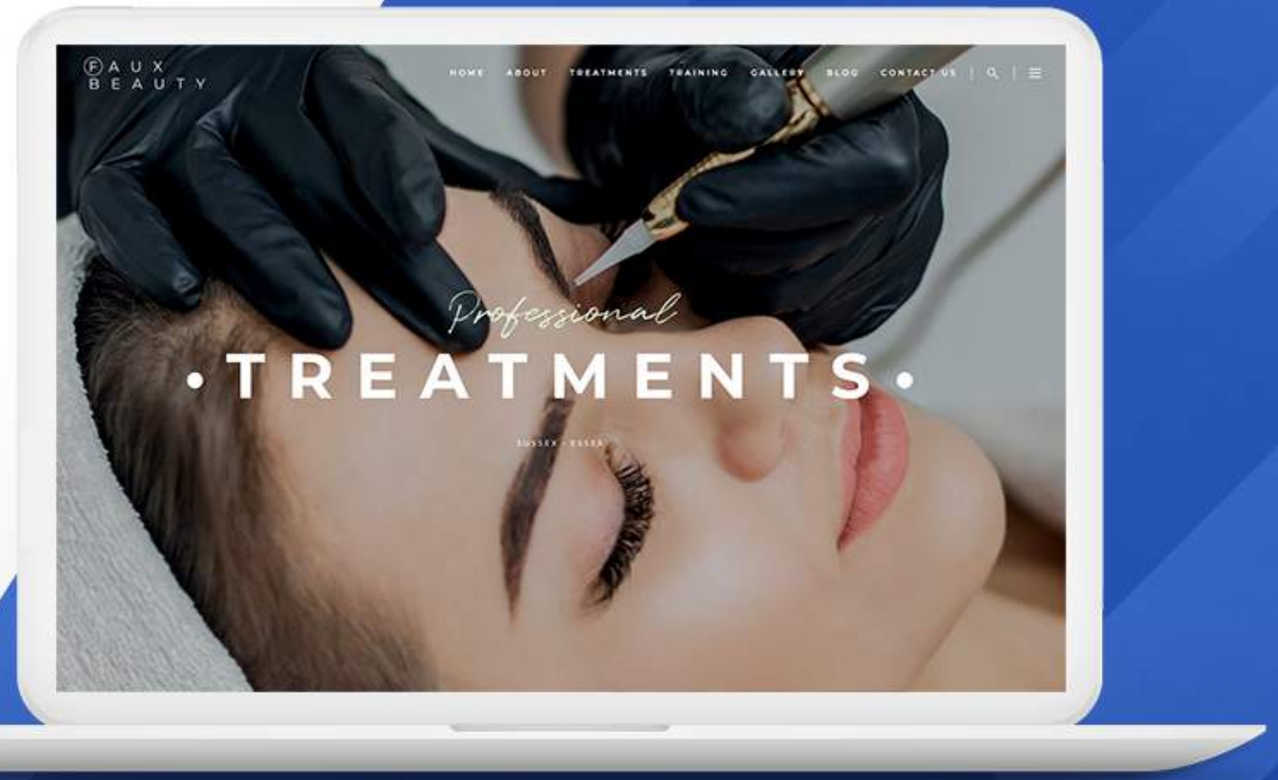
Faux-beauty

Technologies: Wordpress

Description:

My name is Rowena and I am the founder of FAUX BEAUTY. 10 years ago, I was stuck behind a desk, at a job I didn’t enjoy as a PA. In a total cliché ‘right place, right time’ turn of events I met the woman who would change my life and career for the better! Because of her, I started out in the semi-permanent makeup industry and before long I was hooked!



https://faux-beauty.com/
